TRADE TENDER

CONNECT. COMPARE. CONSTRUCT.

tradetender.co.uk

Brand direction

Trade Tender is positioned as a practical UK-wide construction tendering and quote marketplace. The revised identity uses structural geometry, robust navy and a controlled safety-orange accent, creating a stronger construction connection without losing the professionalism required for procurement, SaaS interfaces and formal business documents.

Typography

Montserrat Bold or Aptos Display for headings. Source Sans 3 or Aptos for interfaces, email and long-form reading. Use clear hierarchy, short sentences and tabular numerals for quote comparison.

Usage rules

- Use the horizontal logo as the default corporate signature.
- Use name-only variants only where the icon appears elsewhere in the layout.
- Use the icon for app tiles, social avatars, workwear, vehicles and signage.
- Keep straplines, URLs and campaign messages outside the logo artwork.
- Do not stretch, rotate, recolour, outline or add effects.
- Use monochrome artwork for engraving, embroidery and restricted production.

Application character

Website and dashboard: navy structure, white working areas and orange only for decisive actions. Documents: horizontal logo, generous white space and restrained colour. Vehicles and site boards: high contrast, large icon and minimal wording. Workwear: simplified icon or compact horizontal logo.
